VOLUME 32

"The rising sun explodes on the horizon,
And fragments of light break upon us,
Glancing off our gilded coats of mail
As we stream out on our separate roads
To light the world as miniature suns."

"For now are we the harbinger of fair
Tomorrows, and as we ride out alone,
Idealism branded on our shields
And souls, to test our worth, we are
The hope of humanity. Where lies our victory?"

"Our minds and bodies wrought beyond our realm
Of understanding; armor fashioned firm
By hands of parents, teachers, counselors;
Shield of wisdom, legacy of man;
The sword is ours: we lift it in gratitude."

"And now we linger on the brink of combat
To recollect our carefree squirehood years;
The jousts, the moots, the merry minstrelsy.
We gather all together in this scripture,
The final souvenir of yesterday."

Our Journey to the Castle of Success

Life consists of fact and fancy. The fact of school years did not dim, nor mar the fantasies of our hearts and minds. The nature of children is to dream, but, alas, childhood passes. Now we mount our chargers to traverse the road that leads to our "castles in the air," to seek the fantasies of our childhood and to pursue the dreams of our hearts. These dreams are now to become the realities of our lives.

However, before we cross the moat of graduation, we take one long, last look at our past. It is a difficult crossing, but our courage will be bolstered by the pleasant memories of our schooldays. Our armor is the full education given to us by numerous dedicated people in our homes, schools and communities. Much as a child fondles his precious toys of childhood before he stores them away permanently, we too mull over the events of our past training before we set out to conquer those "castles in the air."

There were those first classes in September, 1962, when we became squires training for knight-hood. In that year we were allowed to join activities. The physically adept jousted in the junior varsity tournaments.

With Mr. Richard Gleason instructing us in the code of Chivalry, Morris Handler was dubbed Earl; Jennifer Murray, Viscountess; Myra Hiller, scribe; and Jeffrey Watt, paymaster. Our representative to the Student Council Round Table was Jey Jones.

At the beginning of our sophomore year, we appointed new officers. Jeffrey Greenwood became Earl; Jennifer Murray and Myra Hiller kept their previous titles of rank and Gale Carr became our new paymaster. Kathy Harbert was dubbed a new knight of the Council Round Table, while Jey Jones became secretary of this illustrious group. Albert Berry, Douglas Macallister, Patrick Crockett, Donald Carpenter, Kevin Sullivan, John Roberts, Morris Handler and Herbert Mason were knighted as Key Club members. Sandra Brito, Wendy Bearse, Frances Krook, Jey Jones, Gale Carr, Diane Bowes and Patricia Sullivan were installed in the feminine order, the Code Club.

Our first real triumph was the "Snow Ball Dance". We also had charge of the repast at "ye olde town meeting", which added gold to our relatively empty coffers.

That year saw the beginning of an annual event, a ball, sponsored by the drill team and cheerleaders. Each year, one of the attending maidens was honored with the title of Football Queen. Kevin Sullivan, one of our gifted poetic squires, set out on his first quest for glory and returned victorious. He defeated the yokels of the surrounding shires at the American Legion Oratorical tournament. In sooth, we all completed in a successful manner, the first half of our required training.

Our junior year was a busy one. Jeffrey Greenwood again became Earl, Douglas Macallister was appointed Viscount, while Myra Hiller and Gale Carr were re-elected the leading ladies of the court.

We learned the ropes of good salesmanship on our next encounter, Candy Sales. This project was so successful that the coins and gold actually poured into our coffers.

New Code Club ladies were Penny Hinckley, Kathy Harbert and Joan Kennedy, while new Key Club members included Jeffrey Greenwood, James Goode, Leslie Beavan and James Sturges. Student Council Round Table delegates were Paula Dore, Patrick Crockett, Donna West and Linda Clough. Kathy Harbert was elected vice-president of the council and Jey Jones continued as secretary. New members to National Honor Society were Linda Staff, Sally Wiinikainen, Frances Krook, Jey Jones and Kevin Sullivan.

Our big social event was the junior prom, "Atlantis". The castle was glorious in decoration and the presiding queen, beautiful and gracious. Queen Frances Krook presided with her maidens, Paula Dore, Clarice Gregoire, Sandra Brito and Jane Furfey. Gale Carr served magnificently as mistress of the castle and directed the ceremonies.

Our class rings, symbols of distinction, eagerly awaited by all squires and lovely ladies, finally arrived. Their placement on our hands signified that knighthood was close at hand.

Gale Carr went as our delegate to Massachusetts Girls' State in June, and Morris Handler and Kevin Sullivan represented us at Boys' State.

In that fast moving year of training, many tournaments and jousts were encountered in the Massachusetts Secondary School Speech Festival. Medal winners included Valerie Cloud, James Goode, Morris Handler and Walter Schmidt.

The class took the Scholastic Aptitude and Achievement Tests which are so important for college applications. Lorelyn Good and James Goode received letters of commendation for their excellent achievement in the National Merit Qualifying Tests while Joan Kennedy became a semi-finalist.

Finally, the senior year of training began. Jeffrey Greenwood, Douglas Macallister, Myra Hiller, Linda Clough and Mr. Gleason carried the banners of leadership. 'Twas the most hectic year of all years!

Football season was as much fun as ever. The drill team appeared in their bright and cheerful uniforms, under the direction of Miss Katherine Nehubian. The majorettes, performed under the leadership of Wendy Nelson and the cheerleaders, headed by Myra Hiller, entertained the spectators during the games. James Goode was chosen captain of the football forces, as Myra Hiller served as Football Queen, with Lady Sandra Brito and Lady Valerie Cloud as her court princesses.

Another first at our castle of training was the Powderpuff Football Team headed by Valerie Cloud. The event concluded when the senior girls conquered the junior girls.

The sale of magazines, our most important quest, was a tremendous success. It gave us the necessary funds for graduation.

Classmates now departed on varying individual quests. Morris Handler was chosen to attend Good Government Day. Kevin Sullivan and Frances Krook represented us at Telfad. Frances Krook was also elected Junior Miss from our shire and won the crown and title of All-Cape Junior Miss.

The new members in Code Club were Linda Clough, Linda Staff, Pauline Young and Myra Miller. The Code Club elected Sandra Brito its president; Wendy Bearse, vice-president; Gail Manning, secretary and Kathy Harbert, treasurer. Ronald Williams, Robert Bassett, Thomas Bednark, and David Hosie became new Key Club knights, with Clarice Gregoire and Valerie Cloud, the Key Club Sweethearts.

The Order of the Key elected Kevin Sullivan, president; James Goode, vice-president; James Sturges, secretary and Leslie Beavan, treasurer.

Judy Tolman, Jennifer Murray and Valerie Cloud were elected to the Council Round Table with Kathy Harbert, president; Paula Dore, vice-president and Jey Jones, secretary.

"Winter Wonderland", the social event of our final year was a huge success. Wendy Nelson reigned that evening as queen of the court. Her princesses were Sheila Amado, Shari Mae Sears, Frances Krook and Nancy Crosby. The decoration of the castle was supervised by Paula Dore, ably guided by Mr. Herbert Sunderman.

And, now, we face the moat of graduation at which time we receive the final symbol of distinction and achievement, the diploma. This symbol permits us to travel alone, seeking our individual dreams and fantasies.

We will toil and climb the mountain of life on whose summit stands the Castle of Success. Into that far distant castle, we will carry the lamps of knowledge which have been lit by our families and instructors, and we will be cheered forever by this warmth.

The Will of the Class of 1966

We, the members of the class of 1966, being of reasonably sound mind, do hereby record a few random thoughts relating to our years at Barnstable High.

Vocational School

When forty-one boys entered the Vocational School in our freshman year, we realized how big and confusing a school can be, how haughty and arrogant upperclassmen can appear and how far away the day of caps and gowns can seem. But this did not discourage us and we found that the fun had just started. While in the ninth grade, many enjoyed themselves in Mr. Whittemore's class or in Mr. Bushbee's shop. This was to be our last year under the leadership of Mr. Glover, the retiring director of the school.

In the ninth grade we selected Mr. Wendell A. Gallup our class advisor for the next four years. Lester Plummer, David DeGrace and Warren Uhlman were elected to represent us both in the Trade Council and the Student Council.

As sophomores we were subject to many changes under the supervision of our new director, Mr. Victor E. Mazzarella. Our class saw a country shrouded in grief with the tragic death of President Kennedy in 1963.

We started our eleventh year with a money-raising candy sale. During this junior year our learned representatives in the Trade Council included David DeGrace, Warren Uhlman and Robert Sethares. For the second consecutive year, under the guidance of Mr. Donald Wrigthington, the Trade Council presented a basketball game between the Barnstable Townies and the Harlem Diplomats. Our class enjoyed the Junior Prom and help with the lighting came from the electrical shop.

In our senior year, Mr. Thomas L. Mazzei became the Trade Council advisor. Senior officers were: David DeGrace, President; Jeffrey Cahoon, Vice President; Lester Plummer, Treasurer; Stanley Wamboldt, Secretary. Our project to raise money this year was a spaghetti supper held at the high school during the February vacation. We were thankful for the assistance of the Dramatic Club, who presented the play "When Shakespeare's Ladies Meet", and to the Code Club for their help. This fund raising supper left the council with money enough for senior awards and a balance for the upcoming classes.

Before Christmas the class raised money through the magazine sale. Stanley Wamboldt and Whitman Alvin organized the seniors in the Vocational School and helped to make the drive successful.

Class of 1966

Robert McClusky was elected by the Future Farmers of America to represent our school at a convention in Kansas City this year.

Looking now at the seniors of the Vocational School, we see twenty-six young men prepared to make a living at their trades. Some will enter the service, others plan to further their education, but all depart with good memories and a hearty thanks to the school which taught them so much.

APPRECIATION

The Class of 1966 wish to express their gratitude and sincere appreciation to Mr. Wendell A. Gallup, class advisor. Behind us, with us, teaching, prodding and guiding, Mr. Gallup never lacked the time nor energy to help the class to succeed in its every effort. For your assistance, understanding and patience, we thank you, Mr. Gallup.

*Winter
Wonderland*

Santa Claus and his elves welcomed us to the enchanting workshop of toys and ornaments at our Senior Prom. The first half of the dance sped swiftly by as we all caught the festive mood of Christmas and thoroughly enjoyed ourselves. The Powder Puff football game was relived on film during intermission. The climax of the evening was the selection of our court, Frances Krook, Nancy Crosby, Shari Mae Sears, and Sheila Amado, and the crowning of our queen, Wendy Nelson. The arduous days of preparation culminated in this unforgettable social function.

Junior Prom Class of 1966

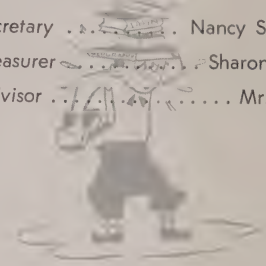

The atmosphere created at "Atlantis" was one of underwater mystery, with tropical fish and a shipwreck as the main decorations. It was a momentous evening, with the grand march as the highpoint. Complementing the evening was the selection of the queen, Frances Krook, and her court, by the Victor Kreiton Band.

Code Club

The Code Club is a service organization, sponsored by the Hyannis Rotary Club. Its aims are to serve, not only the school and the community, but other parts of the world as well. The club prepares its members for useful citizenship and is guided by its motto, "service above self."

The officers of Code Club are Sandra Brito, president; Wendy Bearse, vice-president; Gail Manning, secretary and Kathy Harbert, treasurer. Mrs. Archibald is acting as advisor, in the absence of Miss Jones. Activities for this year were the paperback bookshelf, contributions to Care and UNICEF, the sale of programs and tickets at football and hockey games. The girls served as hostesses at Open House. Its main project was the co-sponsoring of the annual Spring Music Festival. A Code Club scholarship is given annually to a deserving senior girl.

Key Club

The KEY CLUB is a service organization, supported by the Hyannis Kiwanis Club, which stresses good citizenship and promotes responsibility in meeting the needs of students and members of the community. Its broad spectrum of activities include service to the school and community, service to self, fund raising, inter-clubs, and social activities. NATIONAL HONOR SOCIETY

Sally Wiinikainen, Kevin Sullivan, Jey Jones, Linda Staff, Mr. Kilcoyne, Frances Krook

National Honor Society

Constituted on such qualities as scholastic achievement, leadership, co-operation, service and fine character, the National Honor Society is one of the outstanding groups in the school. The primary requisite for admission is a consistent record of high academic averages. If a student meets the qualifications and is recommended by the faculty, he may be inducted as a provisional member in his sophomore year. If he has maintained his record of achievement through his junior year, the student then becomes an official member. This organization exacts diligent study, but is a rewarding experience. The group has fostered many fine scholars.

Student Council

The Student Council serves as a liaison body between the students and faculty-administration. The representative group promotes those programs which would be beneficial to the majority of the students. Under the direction of President Kathy Harbert, The Student Council sponsored the first annual "Powder Puff Football Game" between senior and junior girls. The proceeds went to the scholarship fund. This group of students fosters the spirit of citizenship by self-government.

Field Hockey

Eight seniors, captained by Donna West and expertly coached by Miss Katherine Nehubian, were the foundation of the starting team this year. Striving to maintain or improve their 1964 position as co-champions, the girls got off to a disheartening start as they tied two of their first three games and lost one to Nauset, their principal rival of last year. Despite the bad start, the Barnstable girls burst from behind to win the rest of their games and to place second only to Nauset.

Its record as of the next to last game of this season is a magnificent 41-0-2.

This year's team, led by Captain Billy Tsiknas and Assistant Captains Ronnie Williams and Kevin Sullivan, has compiled a 7-0-1 record in Cape League play and an overall record of 9-1-4. The Raiders' only loss came at the hands of St. Sebastian's Country Day School of Newton. Seniors who have contributed to this winning skein are: wings, Tom Bednark, Doug Macallister, and Al Berry; defensemen Bob Guertin; and goalie Brian Olander.

Gymnastic Club

A new club, the Gymnastic Club, was organized by Miss Stillman, the girls' new gym teacher. The group met on Saturday mornings and the girls were given an opportunity to work on the horizontal ladder, balance beam, rings, buck, horse, ropes and mats. The good attendance indicated a desire to improve physical fitness. The increasing proficiency of the group indicated hard work. There was a similar program for the boys on Saturday mornings. Members shown are; L. Buckler, P. Brown, J. Butler, V. Pease, D. Morin, K. Harbert, M. Hiller, J. Cross, V. Cloud, N. Crocker, P. French, J. Manning, P. Hinckley, B. Hosie, C. Coleman, V. Cushing, K. Davis, P. Heher, D. Bowen, B. Bassett, R. Dumont, M. Buckler, C. Hayden, R. Vanderloop, B. Treadwell, C. Evans and P. Brooks.

VARSITY SQUAD MEMBERS

1st ROW: Marc White; Ken Perreira; Pat Crockett, co-captain; John Burke, co-captain; Scott Anderson; Peter King. 2nd ROW: Steven Neal, manager; Gerald Smith; John Canto; Fred Maki; James Panesis and Mr. Dwyer, coach.

Track

Track is not the most active sport at B.H.S., yet it has many capable performers each spring. Only a half dozen were returning lettermen this year. Events include the mile run, shot put, discus, javelin and dashes. Barnstable opposed Chatham, Silver Lake Regional, D-Y Regional, Falmouth and Nauset, and competed in both regional and state meets. Members shown are: L. George, J. Flaherty, D. Hosie, P. Sullivan, B. Treadwell, W. Picknick, T. Eaton, W. Naylor, C. Evans, R. Bassett, K. Francis, C. Matthews, J. Sturges, D. Siddall, J. Carlson, T. Scott, R. Vanderloop, J. Goode, R. Dumont and P. Brooks.

Golf

The B.H.S. golf team under the direction of Arnold Rogean, coach, has combined power and accuracy. The hard driving of Dave Baker, Glen Hinckley and Joe Watts, the sure putting of Alan Thompson and "Chipper" Schmidt, plus the steady fine playing of Kent Hudson, made a fine Barnstable team. Members shown are: K. Hudson, W. Schmidt, G. Hinckley, D. Baker, J. Esbaugh, A. Thompson, J. Watts and D. Lance.

Tennis

The Tennis team of Barnstable is usually limited to intramural play, although a few inter-scholastic games were scheduled against D-Y Regional and Lawrence High of Falmouth. Both beginners and experts are taught the many skills involved in the highly competitive game and the girls are afforded the fresh air and exercise of the spring afternoons. Members shown are: D. Dow, K. Harbert, P. Sullivan, N. Crosby, M. Hiller, R. Dow, A. Cloutier, D. Morin, V. Pease, P. Hinckley, J. Tolman, J. Liimainen and D. West.

Softball

Batter up! That was the cry heard far and wide this spring on the softball diamond. Under the direction of Miss Katherine Nehubian, the softball team showed its excellence on the field, as they played with energy and good sportsmanship. Members shown are: M. Hiller, L. Duarte, M. Buckler, D. West, C. Montagna, C. Seaver, C. Long, J. Liimatainen, D. Aalto, R. Bell and L. Hurtt.

Baseball

"Coming off" a year in which B.H.S. captured the State Baseball Championship, the Barnstable Red Raiders were out to duplicate that feat with a well-balanced squad. Led by Coach Richard Gleason, Barnstable was paced this year by seniors, Douglas Macallister, Kevin Sullivan, Ronald Williams, William Smith and Albert Berry. Team members shown are: R. Williams, W. Smith, A. Hebditch, K. Sullivan, D. Hanson, R. Farrenkopf, J. Trocchi, D. Macallister, W. Liimatainen, J. Murray, J. Baker and D. Gardner.

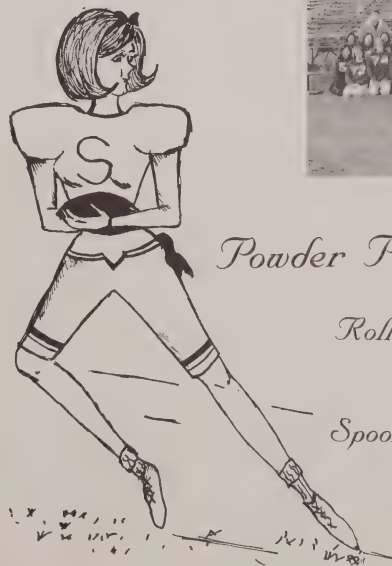

Cheerleaders and Drill Team

The B.H.S. Cheerleading Squad, which was led by Captain Myra Hiller, was outstanding in promoting school spirit for the school games. Faculty coach, Mrs. Pekruhn, deserves commendation for her time and effort. Members of the varsity team were M. Morin, M. Hiller, R. Zimmerman, J. Tolman, E. Thomas, D. Morin, S. Freeman, N. Dowling, L. Davis, and B. Hosie. Junior cheerleaders were D. Bowen, C. Sunderman, A. Buchner, D. Brito, J. Warburton, L. Buckler, H. Murphy, K. Klimm and M. Sullivan.

The Drill Team, consisting of ninety girls, gave many excellent performances both during the half-times of football games and during various parades. The girls acted as a pep squad as well. Under the direction of Miss Nehubian, the girls have achieved wide-spread recognition. Members of the senior team were D. West, J. Jones, L. Nickerson, A. Hinckley, K. Hogan, D. Dow, R. Dow, K. Hogan, K. Starck, L. Stein, C. Renzi, L. Staff, P. Sethares, C. Montagna, P. Sullivan, V. Pease, L. Goodman, K. Pooler, S. Brito and D. Murphy.
